

PROTECT THE BUSINESS

Asset register template

This page is a **prompt**, not your full asset register. Name what you cannot trade without – keep proof, serials and replacement values in your records.

Top three assets without which I stop

1

2

3

For each critical asset, record elsewhere

Keep with your business documents

1. Proof of ownership / purchase
2. Serial, registration or identifying detail
3. Rough replacement cost
4. Where it is kept and how it is protected
5. A photo if useful
